Kathy Beall (W5WON)

Membership requirements:

- Quorum: Eleven (11) Full members in good standing, one of whom shall be the President, or in his/her absence the Vice President.", so 11 including the president is a quorum.

- To modify the C&B is 50%+1, so 26 full members required for C&B change.

What has been handled since the last report:

- The August Meeting Minutes were completed and posted to the Club website.

- The August Secretary Report has been posted to the website.

- The slide package that Mark used for the August meeting have also been posted to the website.

- We have dues paid and an application from Thomas Ramler and dues paid but no membership application from John Webb (W5JMW). Phillip can tell you more about both if you are interested and we can vote on Thomas if the group would care to.

- The RRVARC Club Reports and Recurring Obligations page was reviewed and updated (https://www.rrvarc.org/recurring-events/).

- We have had some activity related to the ARDC grant request for the Meshtastic project. Phillip will update you on that.

As always, if anyone sees any mistakes, omissions, etc., please let me know!
